

# Chatting with actor Alessandro Guerrero: Australia's Next Screen Heartthrob

By TheExpressWire Published August 23, 2022

Actor Alessandro Guerrero ("Home and Away" and "Collapse") is Australia's next screen Heartthrob. He chatted about his recent travels and upcoming projects, including his role as Heath in TV Series "Significant Others".

Hailing from Sydney Australia and having completed training at the Western Australia Academy of Performing Arts, Alessandro has honed his craft over several years, gaining the invaluable insight of working both in front of the camera and behind. An outstanding talent who has risen through the ranks of television and is now exploring acting opportunities outside of his hometown of downunder, Australia.

Riverdale, Once Upon A Time, Deadpool and Mission Impossible Ghost Protocol are among the many big budget and big name tv shows and movies that have filmed in Vancouver Canada, where Alessandro is currently out in Vancouver for filming opportunities. He said "Being here in Vancouver is very exciting as there are so many more productions happening here than back in Australia. It gives me the opportunity to take my career to the next level"

Guerrera's latest endeavor is the TV Series Significant Others, which centers around a single mother who fails to return from her morning swim, leaving behind two teenagers and a fractured family in the wake of this catastrophe. Now they must put the pieces together before it threatens to tear this family apart. On portraying the role of Heath and filming process, Alessandro stated "Heath was a fun persona to tap into. It's very easy to go to the obvious choices for a cliché archetype, but working with the director ,Tony Krawitz, we were able to bring out something different with Heath. At times it was a challenging shoot, as we were shooting on location on the beach, and one scene was in amongst the waves, but the cast and crew were amazing to work with."
